

STATEMENT OF COMPLIANCE WITH THE BUY AMERICAN ACT

To Whom It May Concern:

USI Technologies products meet the American Recovery and Reinvestment Act of 2009 Buy American provisions. The products are "Made in America".

USI Technologies and Update Systems are American companies and are 100% American owned.

USI Technologies product lines are designed and manufactured in the USA. The LED circuit boards are manufactured by Update Systems in the USA. The Aluminum Heat Sinks and all metal components are also made in the USA. The power supply and electronic components are manufactured overseas. The packaging and boxing is made in the USA.

Update Systems is a proud American company of 35 years. We provide good manufacturing and technology jobs and we buy American components wherever possible.

We appreciate your business!

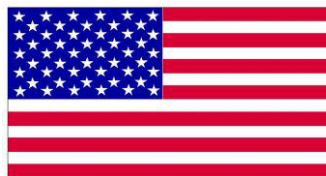

Thanks!
